Charter of accomodation Barges - Vessels

The branch of business charter of accommodation barge / vessel floatel has always been strategic for the Company. Right from its inception it appears in the corporate purpose and the first multi-year contract dates back to 2005

Diamond knows how he managed for a ten-year period 4 Accomodation Barge Hotel and 3 Supply vessels with continuity and professionalism.

Through its departement Offshore has managed over the years both crews that maintenance of vessels. In support of our guidelines, we attach synthetic material contracts relating to the last five years.

Also here attached the compliance document received by the certifying body Abs

Best regards

Fabio Ottonello
